## **Temporary Road Closure at W. St. Marie St. and University Drive**

[Duluth, MN] - The City of Duluth Public Works and Utilities Department has closed down a portion of University Drive at West St. Marie Street near the University of Minnesota Duluth campus. The Public Works department has identified a failure of the base material under the road to support traffic. The area in need of repair stretches about 300 feet west of the intersection.

City crews have closed down that section of University Drive for the next couple of days to make repairs and stabilize the road.

The City thanks the public for their patience and cooperation.
