SUBJECT: Water Main Repair at 3rd Ave West and West 2nd Street Today Will Impact Water Service

BY: Pakou Ly, Public Information Coordinator

Water Main Repair at 3rd Ave West and West 2nd Street Today Will Impact Water Service

[Duluth, MN] - The City of Duluth Public Works & Utilities department will be working today to repair a recently discovered water main leak located at 3rd Ave West and West 2nd Street. This repair will temporarily disrupt water service to buildings located between West 1st and 2nd Streets, and between W 3rd and 4th Avenues, including the St. Louis County Government Services Building, the St. Louis County garage and and Duluth City Hall.

Duluth Public Works anticipates a total water shut off to take place between 3:00 and 5:00 PM today, March 16, 2015.

The City thanks the public for their patience and apologizes for any inconvenience this may cause.
