Duluth Mid-Summer 2015 Construction Project Update (correction)

[Duluth, MN] - The Duluth mid-summer construction update issued July 29 incorrectly listed two projects. There is no mill and overlay project scheduled for 40th Ave West in West Duluth; only 46th Ave West. A mill and overlay is scheduled for 40th Ave East in the Congdon/Lakeside neighborhood. There will be no road closures during the mill and overlay projects but motorists are requested to slow down in the work zones.
