Detour Planned For Mesaba Ave, At 4th St, To Accommodate Water Main Work

[Duluth, MN] The City of Duluth Public Works Department will be closing the north bound lanes of Mesaba Avenue at 4th Street Friday evening through the weekend to facilitate a critical water main construction project. The closure will begin at 8:00 PM Friday May 4th and is expected to remain closed until 6:00 AM Monday morning. A Detour route will be established utilizing 2nd Street and 4th Avenue West. Truck traffic is also encouraged to use alternative routes such as Piedmont Avenue or 6th Avenue East.
